

News From Gloucester Mathews Care Clinic

Register Today for GMCC Oktoberfest!

Our annual celebration of food, fun and fellowship Bavarian-style is Sunday, October 5 at 3 PM at the beautiful Ware River Yacht Club. 2025 Clinic Heroes will be recognized at the party, and this year we're thrilled to induct our inaugural members of "The 97" planned giving society. Please join us! The deadline for registration is **Friday, September 26**--so please register now:

Golf Tournament Re-Cap

GMCC's 15th annual golf classic at Kingsmill was a great day for all who attended-- and a great show of support for our patients! Together we raised over \$48,000. We have reserved the Plantation Course again for next year! Thanks to all who supported the tournament.

Volunteer News

Our community of support showed up for the United Way Day of Caring! Many thanks to volunteers from Sentara Health, Chesapeake bank, and New

Haven Realty, who came together to beautify our outdoor spaces. The Clinic was in need of a fall clean-up, and these volunteers really delivered. Thank you for making our entrance as professional and welcoming as are the people inside the building!

In the Clinic

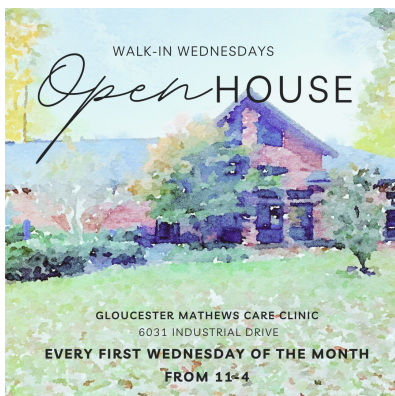

We've gone through a staff transformation this year at GMCC!

In June we bid farewell to our director of patient care, CJ Badger. CJ is pursuing a master's degree at William and Mary, and keeps in touch with staff and patients.

Also in June our marketing and development director Maureen Crone moved even farther out of area. After traveling to Gloucester from Portsmouth for 4 years, though, she was sure we could find a way to keep her involved in Clinic life. Maureen continues to work part-time from her new home in Nashville.

Finally, we're happy to announce these new team members:

Alec Parlett-- Volunteer Physician's Assistant
Shanelle King-- Medical Assistant and Phlebotomist
Deb Ottarson-- Pharmacist

Walk-In Wednesday Clinic Tours

We're always looking for ways to get the word out about our services so that no one in our community goes without the healthcare they need!

On every first Wednesday of the month, staff is available to give tours and answer questions for anyone who'd like to take a look at what we do here at GMCC.

Please help spread the word!

Community Health Partner News

CHP+Board Mixer on October 22

It's tradition to get together with our Community Health Partners every fall to hear from them and share what we're able to do thanks to their support. This year the GMCC board will join our group of super-supporters at our annual mixer, hosted by Nuttall's Store. If you'd like to attend to learn more about becoming a Community Health Partner, please reach out to Arlene: aarmentor@gmccareclinic.com

To volunteer, make a gift to the Clinic, or learn more about GMCC, please contact us!
