

News From Gloucester Mathews Care Clinic

Special Events

We loved every minute of **Oktoberfest 2023**! Beautiful weather, delicious food, fantastic music, and the best good people around all made for a memorable event. We celebrated our 25th anniversary by recognizing 25 Clinic heroes, many of whom were in attendance. We were humbled and honored by a major gift from Abingdon Episcopal Church members—our founders donated \$25,000 for GMCC's endowment fund, which will help to ensure quality care for those who need it for years to come. In addition to this generous gift, over \$46,000 was raised for patient care.

The commitment of our community to take care of each other is awe-inspiring. *Thank you!*

Golf Classic Recap

The 13th annual GMCC golf classic was held on August 18 at Piankatank River Golf Course, with 29 teams participating. Players ranging in age from 13 to 84 enjoyed a beautiful day on the course and raised over \$36,000 for the Clinic.

Next year's tournament is scheduled for August 16, 2024.

Recognition Wall Unveiling

To commemorate GMCC's 25th anniversary this year, the Clinic is installing a recognition wall in the patient lobby. This multimedia display will feature stories of 25 "Clinic heroes", and provides space to grow in the future. The wall will officially

be unveiled on **Thursday, October 19** during the Chamber of Commerce After Hours event, generously hosted by Water Pro at the Clinic. Please [click here](#) to attend the event.

Clinic News

Virginia delegate Keith Hodges and Rufus Phillips, CEO of the Virginia Association of Free and Charitable Clinics, visited GMCC this month to learn more about the care that charitable clinics like ours provide and the challenges we face statewide.

The Ann Quinn dental clinic needs dental volunteers! GMCC is currently unable to care for all of the patients who are seeking dental treatment because of a lack of dentists and hygienists. If you or someone you know is interested in volunteering, please call (804)210-1368 or [click here](#).
